

Transplant Leadership Council Mission, Vision, Benefits, and Responsibilities

Vision: To create a powerful leadership network of young professionals in the Denver Metro area and beyond who support the lifesaving mission of the American Transplant Foundation through investments of their time, talent, and treasure.

Mission: The American Transplant Foundation's Transplant Leadership Council is a dynamic group of emerging young leaders who assist the Foundation in the mission to reduce the growing list of men, women, and children who are awaiting a lifesaving transplant. What are the benefits of becoming a Transplant Leadership Council Member?

- The opportunity to address one of the world's most pressing health care issues
- The joy of changing and saving lives in the local community and nationally through financial support of specific grants- the annual commitment funds at least one specific grant through the Patient Assistance Program
- The opportunity to review grant applications and make funding decisions, thus knowing exactly how your contribution is making a difference
- The opportunity to attend exclusive events and network with fellow members and the Foundation's supporters
- Acknowledgement of your support in the Foundation's website and other publications
- For your convenience, your pledge can be paid incrementally through the end of the year
- Your donations are tax deductible for the year in which they are given

Member Goals and Responsibilities

- Group will meet on a quarterly basis to evaluate progress and plan activities
- Group will organize and coordinate one signature fundraising event a year
- Group will help with fundraising events that benefit the Foundation and assist the Foundation in planning new programs

About the American Transplant Foundation

The American Transplant Foundation is the only 501(c)(3) nonprofit in the state of Colorado that provides educational, financial, and emotional support for living donors, transplant recipients, and their families. We maximize living donation to reduce the

transplant waiting list and save lives. We believe no one should die while waiting for a lifesaving transplant.
